2026 update proposal:

The Platform Committee weakened the party platform because they believe that attracts voters. Progressive Democrats disagree: we attract voters by having strong & clear progressive values, and asking legislators to vote based on those values.

The Massachusetts Democratic Party Charter says, *“The most recent Democratic platform...is the official position of the Democratic Party.... every official elected shall adhere to the...platform. Failure to do so...may be publicized by...action of any Party convention.”*

The platform MATTERS because we can hold our legislators accountable to it! Here’s how one legislator compares to the Party Platform....
